

砂の薔薇

デザート・ローズ

File 15: Atomic Connection (3)

THIS LADY...
WHAT!?

WHY DOES
SHE HAVE
A GUN!?

OR...
IS HE AN
ENEMY?

WILL HE
HELP US...

M A R I E ! !

MARIE?

IN ANY CASE,
I'M AT A
DISADVANTAGE
IN A FIGHT...

KEEP AT
IT.

THIS IS JUST
ANOTHER TEST THE
LORD GRANTS US.

GAY...
LADY

EVERYONE,
AFTER THE HALL
IS FINISHED, THE
CHAPEL IS NEXT.

I'VE ALWAYS
WONDERED
WHAT WAS
INTERESTING
ABOUT THE LIFE
OF A MONK...OR
A SEA SLUG.

CALL ME
REVEREND
MOTHER.

THE ROOF
LEAKS LIKE
A SIEVE.
THERE'S NO
REASON TO
WOP...

WAS I RIGHT!!
WHY ARE YOU
STAYING
ABOUT?

HURRY ON
INTO THE
CHAPEL!

OHAY,
OHAY

I WONDER
WHAT HAP-
PENED TO
THE COM-
MANDER
AND LAILA...
AND THE
OTHERS...

THE NEAREST
TOWN...IS EIGHTY
KILOMETERS...EVEN
IF I SNEAK OUT,
I'LL BE IN THE
MIDDLE OF THESE
MOUNTAINS...AND IN
THIS WEATHER...

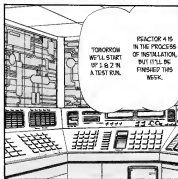

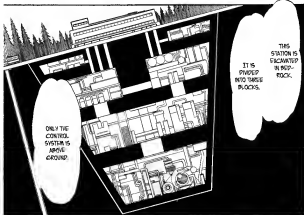

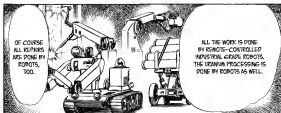

...OH...
HE SEEMS...
KINDA NICE...

OF COURSE
ALL REPAIRS
ARE DONE BY
ROBOTS,
TOO.

ALL THE WORK IS DONE
BY REMOTE-CONTROLLED
INDUSTRIAL GRAPE ROBOTS.
THE URANIUM PROCESSING IS
DONE BY ROBOTS AS WELL.

GO...IT'S KIND
OF LIKE NORMAL
IN REVERSE.

NO HUMAN
CAN ENTER
FOR TEN
YEARS.

WHEN THE
REACTOR
STARTS UP, A
THREE LAYER
AIR-TIGHT
SHIELD
GOES IN
PLACE.

THAT'S
RIGHT
—

AREN'T
A FATAL
ACCIDENT.

IN OTHER
WORDS...HUMANS
CAN'T EVEN ENTER
THE REACTOR
CORES...

THE FACT
THAT IT'S
UNDER-
GROUND
WOULD
LIMIT THE
DAMAGE...

LIKE AN
UNDER-
GROUND
NUCLEAR
BOMB
TESTING
SITE...

NORAD IS THE
U.S. MILITARY BASE
EXCAVATED FIVE
HUNDRED METERS
UNDER THE ROCKY
MOUNTAINS. IT'S
BUILT TO WITHSTAND
INTERCONTINENTAL
NUCLEAR ATTACKS...

IF... HEAVEN
FORBID...
A SERIOUS
ACCIDENT LIKE
A MELTDOWN
HAPPENED HERE,
